News Announcement

PEAK RESORTS ANNOUNCES STRONG PRE-SEASON 2018/19 SEASON PASS SALES

Wildwood, Missouri – May 2, 2018 – Peak Resorts, Inc. (NASDAQ:SKIS) (“Peak” or the “Company”), a leading owner and operator of high-quality, individually branded U.S. ski resorts, announced today strong initial sales for the Company’s 2018/19 season pass offerings, including the Peak Pass. Consolidated season pass sales through April 30, 2018 increased 14% on a unit basis and 16% on a dollar basis, compared to the prior year, driven by continued broad interest in the Peak Pass among Northeast skiers and riders, including a 47% increase in unit sales of the unlimited, unrestricted Drifter Pass for 18- to 29-year-olds.

Jesse Boyd, Vice President of Operations, commented, “Season pass sales are a major contributor to our success and a key source of stability within our business. Their ongoing growth demonstrates our customers’ favorable view of the skiing and riding experience we deliver across our diversified mountain portfolio. Our Midwest season pass sales have been very healthy, as enthusiasm for our mountains carried forward following a good 2017/18 winter season. In addition, our Peak Pass continues to gain traction in the Northeast as customers more fully appreciate our simple approach to the season pass, as we offer unlimited and unrestricted access to ski and ride at any of our Northeast resorts, at any time.

“We believe our Peak Pass, the industry’s most popular East Coast multi-mountain season pass product, delivers an unbeatable value for our guests, particularly with our ongoing improvements at Mount Snow, including the soon to open Carinthia base lodge, and our Hunter North expansion at Hunter Mountain, which will debut this winter.”
